

School Communication

In order to best communicate with you in a school closure or other emergency situation, Heart of a Child Learning Center will send a School Communication to all families. HiMama is an emergency notification system that has the ability to call, text, and email families with important information or emergency messages from the school. In the event of an emergency or closure impacting Heart of a Child Learning Center, we will notify you immediately via HiMama and via email.

Student Name: _____

Program _____ *Date* _____
(Please Print)

Phone Number: Please print your primary telephone number (to be called AND texted) below. Again, this should be a direct line to you – not a main switch board or operator at your place of work:

1st Phone Number: _____

2nd Phone Number _____

E-Mail Address: Several communications are sent via email only and will not reach you without a valid email address.

E-mail address: _____

2nd Email address: _____

***If at any point your information changes (new phone number, new email address, etc.), you are responsible for contacting the office to update the information in our database.*

Parent/Guardian Signature: _____ Date: _____
